Ok - sounds good - let's touch base Tuesday and go over the scope of the call. Have a good weekend if I don't talk to you before!

Hi Kim,
I am teleworking today, too. I agree with your plan of proceeding forward without trying to get Alfreda's notes, especially since it is her last day.
Thanks!

Ok - thanks Valois, that's helpful! I haven't had the chance to follow up with Alfreda and I know today is her last day. I'm also teleworking, but are you at the office? I can try to call her to see if she has her notes of when she contacted the Tribe, but I'm thinking maybe we just proceed forward with the info you have. I reviewed the emails and at least you and Remi have had some conversations.

Subject: my emails to Cheyenne River Sioux

Hi Kim,

I haven't had any luck getting Alfreda's info from her as to notes on calls or any emails to the Cheyenne River Sioux since this is her last week and I'm sure she is very busy. Would you mind asking her for them, please?

I have attached my emails to Remi Bald Eagle requesting time on Chairman Harold Frazier's calendar for a consultation meeting. In my last email dated May 16, I tried to be very persuasive, but got no response. Darcy suggested that I offer a web conference meeting because it might be more convenient for Chairman Frazier. I did that in the May 16 email.

Please let me know if there is anything else you would like to discuss about my contact with CRST before your speak with their attorney.

Thanks!

Valois
